(Internet Explorer is the preferred browser)

Go to [www.lonestarartguild.org](http://www.lonestarartguild.org), then SHOW DATABASE (last link in the list). Click the link then click Show Database again.

Sign in with your email (as provided to LSAG's Winners List Person) and use the password you've been assigned.

Judged Show chairs are given Level 3 access. Assistants are Level 2

Go to the ARTISTS tab

Click on ADD NEW

Key in each of your league's artists' information.

**You will need NAME, ADDRESS, PHONE, EMAIL, and their DIVISION**

Enter each artist's information including an **email**.

If the box "This artist has no e-mail" is checked then confirming emails about artwork and awards will go-- by default-- to the judged show person for the league who hosted the judged show for confirmation of that artist's reported show award(s).

All artists who are entered in our database will get an email asking them to sign into the database to confirm their personal contact info and to assign themselves a password. This will not start until after **Feb 4**---your deadline to get artists and fall show results keyed in.

Both boxes here are drop down menus. First choose the league an artist calls HOME then choose the Artist you will be reporting show results for.

If an artist is not in the drop down menu you can say ADD NEW and key the artist on behalf of another league—THIS YEAR ONLY!

In the box called ARTWORK TITLE (which pops up after you selected your artist): say ADD NEW

Another screen opens-----

**After Feb 4, 2011**-----An email will go to all artists in the database

so they can activate themselves and use the system. Once they update their password they will either Confirm or Recall their personal information and later their show results.

“Confirmed” will place the artist and artwork in a list as “Eligible for LSAG Convention Registration”

“Recalled” means the artist has found an error in either artwork information or award. “Recalled” will alert the judged show person at the league where the art was awarded so they can re-check the info and make corrections. Once that is done, another email goes to the artist to “Confirm”.

**Leagues have until February 4<sup>th</sup> to key in their artists and Fall Judged Show Results.**
